

Its all about where you could be.....

PERTH LIFE UNDERWRITER OPPORTUNITY

Asteron is an organisation on the move. We are a leading life risk specialist with a focus on innovation, service excellence and developing deep, value-add adviser relationships. Asteron is committed to our people and we have a culture where leaders are empowered to make decisions and individuals and teams are able to succeed in a supportive environment that rewards ambition.

Changing the face of Life Risk is not just an aspiration but an expectation. This belief is combined with an understanding that our success is derived from engaging people like you. If you can contribute ideas freely, possess a strong sense of professional integrity and understand the importance of Risk Assessment, then we are interested in hearing from you.

Focussing on independent advisers', your key responsibilities will involve:

- Maintenance of an underwriting portfolio of large and complex files
- Assessing and accepting of risks within agreed levels of authority
- Authorizing underwriting decisions within limits
- Developing and maintain key adviser relationships
- Providing consultancy advice to other underwriters in the team and reviewing cases prior to external referral
- Partnering with Sales teams on service delivery
- Supporting Risk Assessment Manager and the Quality team in the development and delivery of training to underwriters within the team
- Providing ongoing coaching and feedback to junior underwriters

To be successful in the role it is essential that you have previous life underwriting experience, a strong understanding of life risk products and a comprehensive understanding of risk analysis for financial assessment. You will need to have strong decision making ability, excellent attention to detail, and superior communication skills. Candidates with a degree and relevant qualifications (such as DFP or ALUCA studies) are preferred.
