

Principal Underwriter

Do you want to be an integral part of an evolving structure that promotes career development? Do you want to be part of a smaller organisation with a flat structure where you can have autonomy to re-engineer processes?

In this role, you will be responsible for the assessment and placement of life insurance risks presented to ClearView and the management of all parties to the risk contract. You'll support our and take ownership of daily tasks in this function that are crucial for delivering effective support to the business in the realms of governance and reporting.

We are open to applications from Melbourne, Brisbane and/or Sydney.

Key Responsibilities:

- Assessment of risks
- Conveying terms to advisers and insureds
- Liaison with third parties immediately involved in the risk contract (doctors, accountants, reinsurers)
- Liaison with distribution staff
- Marketing responsibilities -building strong professional partnerships with suppliers / advisers
- Mentoring Underwriters and Tele Interview Consultants

Key External & Internal Relationships:

- Advisers
- Reinsurers
- Distribution
- CMO
- Claims
- New business

Qualifications & Experience Required

- 6+ years' experience in a Senior / Principal Underwriter position within Life Insurance
- Diploma of Financial Planning
- Diploma of Life Insurance
- ALUCA qualifications
- Chartered Insurance Institute / Academy of Life Underwriting qualifications

We are looking for someone with:

- Verbal ability and warmth
- Empathy in communication
- Ability to self-manage
- Strong ability to manage conflict and stressors
- Strong analytical skills
